

Directions to Pediatric and Adolescent Behavioral Health Services

Proceed through the lobby and turn left to access the Davenport elevators.

Take the Davenport elevators to the 3rd floor.

Exit the elevators to the left and follow the corridor around the corner and up the ramp

At the top of the ramp turn left and follow the corridor until you reach the Children's Building elevators.

Take these elevators to the appropriate service.

To exit:

Take the Children's elevator to the 1st floor.

Exit the elevator to the right and follow the corridor until you reach the windows.

Turn right and follow the corridor down the ramp and around the corner to the Davenport elevators.

Take these elevators to the 4th floor.

Exit the elevator to the right and follow the corridor until you see the main entrance/ lobby.
